## 10<sup>th</sup> Annual Invest in Youth Fundraising Dinner

Please join us in a celebration of God's work in the lives of Milwaukee's urban youth living in at-risk conditions as we launch our 10<sup>th</sup> year serving youth at our Christian Youth Education Center. New Beginnings Are Possible provides a Biblically-based moral foundation needed so our youth can make healthy choices and become contributing members of the community.

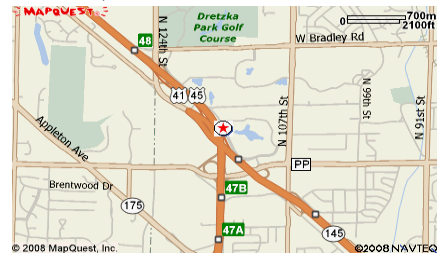

Meet the staff, volunteers, supporters, and other interested people. Best of all; meet the youth and parents who are being impacted by New Beginnings Are Possible.

Make your choice to support us and join the celebration by attending our only fundraising dinner.
