The pre-teens (10-12 yr. olds) kicked off the school year with a life skills/etiquette class. The class was facilitated by Instructor Nettie Perry every Thursday for 5 weeks. Some of the topics covered during the classes were: Dining Etiquette, Civility and Professionalism, Cell Phone Etiquette, and How to Be a Proper Guest/Host.

Implementing proper etiquette and essential life skills into everyday life is important for everyone; including children. Displaying proper etiquette will not only make him/her feel good, but it will also

make those around him/her feel important and respected as well. Rules of etiquette have been around for many years, but they are far more important in this day and age than ever before.

Upon completing the classes, students are more knowledgeable

and comfortable with displaying proper etiquette and essential life skills. They are now ready to show off their skills at their graduation dinner on Thursday November 7th.

Premier Issue

This is the very first issue of New Beginnings Are Possible Monthly News letter. We wanted to share what has been happening with us and our kids throughout the month of October. This will be a monthly publication, if you would like to subscribe to it please email info@nbap.org.

Teens—Bridge to Employment

By: Jeff Becton

This month the teens took a field trip of the Milwaukee County Sheriff Department for

an extensive tour of their facilities and see career opportunities in the public service field.

The trip was given by

Lt. Derrick S. Washington Sr. who has been apart of the Milwaukee County Sheriff's Department since April 14, 1995.

How Can I Help?

By: Brian Bauer

So you may have just found out about our organization or maybe are wondering, how can I help support their mission?

The youth this October and early November are selling Boston Store Community Day coupon booklets until November 16, they are \$5 each, to find out how you can buy one from us visit our website at <http://nbap.org/Donate.html> and click on the Boston Store logo. Also

on that same page you can help us meet our goal by donating your used ink/toner cartridges and/or old devices. We have collected \$36 of used cartridges of our \$9000 goal. This helps us and keeps these items out of our landfills.

And finally as always we can always use help with homework and reading, bible studies, meals, and repairs and maintenance to our youth center. We can always use cash

donations as well. If you wish to donate or volunteer please contact us:

4H Club

By: Lola Marmolejo

We have started a 4-H club at our center

Leaders In Training

4-H'ers across the nation are responding to challenges every day in their communities and their world.

With a rich history and an expansive network reaching every corner of the country, 4-H is the nation's largest youth development organization. More than 6 million 4-H youth in urban neighborhoods, suburban schoolyards and rural farming communities stand out among their peers: building

revolutionary opportunities and implementing community-wide change at an early age.
