"It is easier to build a child than to restore an Adult."

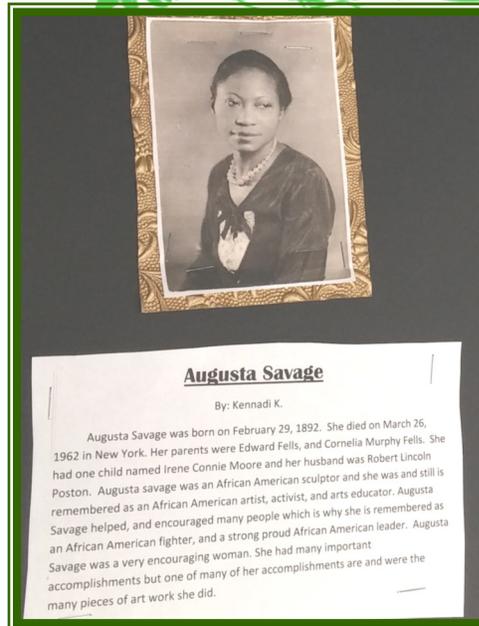

New Beginnings Are Possible, Inc. provides urban youth exposed to at-risk conditions in Milwaukee with a moral foundation to make healthy choices and become contributing members of the community.

Black History Month

By: Crystal Bell

We often hear the same names each year during African American History Month. This year, for a twist, the pre-teen group learned about people who are not well known. Each teen chose a name and researched the person. Learning about birthdates, deaths, careers and accomplishments of these important people showed our pre-teens the depth of history in the African American community. Each teen typed out what he or she discovered and put together a craft that we hung on the wall. Our pre-teens were thrilled to discover new, important African American people and sometimes even found out they shared a birthday with their person!

The youth were asked to do a report on a famous Black individual. This one was by Kennedy, who attends the preteen program at NBAP.

Why I Donate to NBAP

By Joseph Widmer

You can help keep children in and young adults in Milwaukee's inner city safe and encouraged. Each day, students come to New Beginnings are Possible where they are loved, nurtured and receive Biblical guidance. Students participate in extra-curricular activities, are fed and clothed. You can help NBAP reach youth by donating time or money...or both! The programs the students participate in will influence them in their God-given directions throughout their lives.

Volunteer Opportunities

If you have spare time and enjoy kids, share that time with a child in need of encouragement and be a positive role model! Assistance with academic support/homework helpers are needed. For more information how to volunteer for one of these positions please contact Lola at 414-449-1546

Meal volunteers

Provide a meal monthly or weekly, prepare food at NBAP, serve meals and clean up.

Arts and crafts

Share your skills and knowledge in arts and crafts using your creativity and having fun working alongside the staff and students.

Homework helper

Volunteers will assist our coordinator with various youth programming activities and homework assignments.

Wintery Fun

By: Lola Marmolejo

Our youth at New Beginnings enjoyed exploring the unique and beautiful Fort Wilderness, just north of Rhinelander, Wisconsin.

Campers experienced adventure within community while enjoying activities with purpose. Fort Wilderness is a Christian-based camp providing activities and programs throughout the year. The camp was founded in 1956 and is the perfect place for children to experience life, personal growth and adventure.

Outreach and Youth Ministry

By: Jeff Becton

Inspired by our experience at Fort Wilderness, New Beginnings decided to extend our services to Sundays. We want to stay connected with youth and community while strengthening relationships with the Lord. Dr. John and Mrs. Tameica Greene, with other volunteers, will host youth outreach services from 10 am until noon every second and fourth Sunday of the month.

“Let the little children come to Me, and do not forbid them; for of such is the kingdom of God” (Mark 10:14).

Arts & Crafts With Valerie

This month Valerie Hawkins and the good people at Grace 242 Church made cute Valentine's picture frames with Bible verses in them.

To the left Hope did a beautiful one and used the quote: *“For God so loved the world that He gave His only Son, that whoever believes in Him shall not perish, but have everlasting life.” (John 3:16)*
